

Annex C. - Dissemination activities for the METIS courses

Partner	Date	Title	Channel / Event	Target group(s) reached	Link if available
P1	10.01.2023	EU Consortium Releases METIS Report on Skills Training In Europe	Report	Public	EU Consortium Releases METIS Report on Skills Training In Europe – Metis (metis4skills.eu)
P1	15-16.02.2023	Industry Strategy Symposium - METIS courses promotion	Event	Industry	https://www.linkedin.com/feed/update/urn:li:activity:7019644164434731009 METIS at SEMI ISS Europe 2023 – Metis (metis4skills.eu)
P1	7.03.2023	European Commission Report - Bridging projects and policy: Blueprints for sectoral collaboration	Report	Public	The European Commission publishes report outlining the progress made by METIS and other alliance members – Metis (metis4skills.eu)
P1	10-14.05.2023	International Spring Seminar on Electronics Technology	Event	Students, academia	METIS at the 46th International Spring Seminar on Electronics Technology – Metis (metis4skills.eu)
P1	11.05.2023	Territorial Forum on the Attractiveness of the Microelectronics Sector	Event	Industry	Territorial Forum on the Attractiveness of the Microelectronics Sector – Metis (metis4skills.eu)
P1	22.05.2023	METIS Webinar - Training and Upskilling to Drive Business Growth	Online	Students, industry	https://www.linkedin.com/feed/update/urn:li:activity:7070299675634872320 Webinar on Training and Upskilling Driving Business Growth – Metis (metis4skills.eu) https://twitter.com/Metis4Skills/status/1658458093141868546
P1	18-20.06.2023	3D & Systems Summit - METIS courses promotion	Event	Industry	https://twitter.com/Metis4Skills/status/1676595272456044546 https://www.metis4skills.eu/2023/07/05/metis-at-3d-systems-summit-2023/
P1	21.06.2023	METIS at Silicon Saxony Day	Event	Academia, industry, students	https://www.linkedin.com/feed/update/urn:li:activity:7087009694606614528 METIS at Silicon Saxony Day – Metis (metis4skills.eu) https://twitter.com/Metis4Skills/status/1681240655152963586

P1	10.08.2023	METIS courses promotion	Online	Public	https://www.linkedin.com/feed/update/urn:li:activity:7095362465160421377
P1	18-20.09.2023	MEMS & Imaging Sensors Summit - Promotion of Courses	Physical	Industry	https://www.linkedin.com/feed/update/urn:li:activity:7109949718750715904 https://twitter.com/Metis4Skills/status/1704181305959649594
P1	28.09.2023	EU Chips Alliance Webinar	Online	Academia, industry, students	https://www.linkedin.com/feed/update/urn:li:activity:7107328554027085826 https://www.metis4skills.eu/2023/09/12/eu-chips-skills-alliance-webinar/
P1	6.11.2023	EU Digital Future Forum Webinar (Promotion of Catalogue)	Online	Students, industry	https://www.linkedin.com/feed/update/urn:li:activity:7118588986947686400 https://www.metis4skills.eu/2023/10/10/join-the-eu-digital-future-forum-webinar/
P1	14-17.11.2023	Various activities at SEMICON Europa (SEMI U booth, METIS presentation, EU project wall)	Event	Academia, industry, students	https://www.linkedin.com/feed/update/urn:li:activity:7131241053952581632
P1	30.11.2023	METIS Final Event	Physical	Industry, academia	https://www.linkedin.com/feed/update/urn:li:activity:7131280606751023104 Event: METIS Final Results and the launch of the European Chips Skills Alliance – Metis (metis4skills.eu)
P2	11.06.2022.	Career fair Udine	Public conference, Courses announcements	Students	
P2	July 2022.	Partner internal web	Courses selection on internal web	IFAT employees	
P2	17.05.2023.	Presentation of the METIS project	Guest lecture (Uni Ljubljana)	Students	
P2	22.05.2023.	Presentation of the METIS project	Guest lecture (FH Kaernten)	Students	
P2	04.05.2023.	Internal IFAT campaign to promote METIS courses - post and article	Intranet promotion	Employees	
P2	01.06.2023.	Courses information	Newsletter sent to more than 300 addresses of	Students, VET providers	

			University professors		
P2	16.06.2023.	Presentation of the METIS project	Internal IFAT employees (40,000+)	Employees	
P2	26.09.2023.	Presentation of the METIS project	Guest lecture	Students	
P2	01.12.2023.	METIS final meeting	LinkedIN post	Public	https://www.linkedin.com/posts/dunja-suttnig-assoc-cipd-8baa971a_infineon-talents-metis4skills-activity-713627353327785985-AXvq?utm_source=share&utm_medium=member_desktop
P2	01.12.2023.	IFAT member of Consortium	LinkedIN post	Public	https://www.linkedin.com/feed/update/urn:li:activity:7135945614369923073?updateEntityUrn=urn%3Ali%3Afs_feedUpdate%3A%28V%2Curn%3Ali%3Aactivity%3A7135945614369923073%29
P7	29.08.2023	METIS Testimonial Video LinkedIn Post	Partner Web	Learners, industry	https://www.linkedin.com/posts/metis4skills_skills-metis-erasmusprogramme-ugcPost-7102233679241830400-tPLJ?utm_source=share&utm_medium=member_desktop
P7	12.10.2023	Istanbul Technical University, ITU Rover Team	Arcelik Visiting	University students	https://www.ituprojetakimlari.com/
P7	19.10.2023	Yildiz Technical University Yildiz Team Rocket	Online Meeting	University students	https://www.yildizroket.org/
P7	25.10.2023	Cankaya University Google Developer Student Club	Oral Presentation	University students	https://www.linkedin.com/feed/update/urn:li:activity:7123370869346738176/
P7	26.10.2023	Koc University Engineering Faculties	Notice board	University students	https://eng.ku.edu.tr/
P9	06.11.2023	EU Digital Future Forum Webinar - Introduction Video on the METIS courses	Web	Industry, students	https://www.semi.org/eu/webinar/eu-digital-future-forum
P9	Summer 2022	Flyer Development for ElectrONiX MOOC Series	Flyer	Students, student fairs	Dissemination at various student fairs.
P9	01.09.2022	Social Media: iMooX (Facebook, Instagram, Twitter, Stories)	Social Media	Students, industry	https://www.facebook.com/imoox.at https://www.instagram.com/imoox.at/
P9	22.09.2022	Social Media: iMooX (Facebook, Instagram, Twitter, Stories)	Social Media	Students, industry	https://www.facebook.com/imoox.at https://www.instagram.com/imoox.at/
P9	30.09.2022	Social Media: TU Graz	Social Media	Students, industry	https://www.facebook.com/tugraz
P9	01.10.2022	Social Media: iMooX (Facebook, Instagram, Twitter, Stories)	Social Media	Students, industry	https://www.facebook.com/imoox.at https://www.instagram.com/imoox.at/
P9	01.10.2022	ElectrONiX courses ife.tugraz.at	Web	Students, industry	https://ife.tugraz.at

P9	30.09.2022	iMooX: Shorts on YouTube, TikTok, Reels	Social Media	students, industry	https://www.youtube.com/@imooxat
P9	27.09.2022	LLT Channels	Social Media	Students, industry	https://www.facebook.com/llt.tugraz/
P9	03.09.2022	IFE YouTube Trailer	Social Media	Students, industry	https://www.youtube.com/@ife.tugraz
P9	03.10.2022	IFE Instagram + Facebook Story	Social Media	Students, industry	https://www.facebook.com/ife.tugraz.at https://www.instagram.com/ife.tugraz.at
P9	04.10.2022	IFE YouTube Short	Social Media	Students, industry	https://www.youtube.com/@ife.tugraz
P9	06.10.2022	Lecture "Elektronische Schaltungstechnik, UE"	Lecture	Students	
P9	06.10.2022	Lecture "Elektronische Schaltungstechnik 2"	Lecture	Students	
P9	07.10.2022	Lecture "Elektronische Schaltungstechnik, LU"	Lecture	Students	
P9	20.01.2023	Information Event: The "Silicon Valley" of Austria	Event	Students/ Industry	IFE - Silicon Valley of Austria 2023 (tugraz.at)
P9	20.-21.09.2023	Austrochip 2023 Graz, Austria	Event	Students/ Industry	Austrochip 2023 - Home (tugraz.at)
P10	22.09.2022	Interview with imec Chief Strategy Officer (mentioning METIS)	Partner web	Broad target: industry, learners, academia	EU in global war for talent imec (imec-int.com)
P10	01.10.2022	Design & IP Partner Network event	Panel discussion	Semicon, industry	
P10	21.10.2022	Internal promotion of METIS project at board level	Face-to-face	Senior management (internal)	
P10	18.11.2022	METIS project LinkedIn post	Partner social media	Broad target audience: industry, learners, academia	(1) Post Feed LinkedIn
P10	18.09.2023	Company-wide communication, highlighting one of the imec courses offered within the METIS project	Partner internal comm. (company-wide)	Imec employees	
P10	2019-2023	Ongoing, in-person communication whenever there is a link with imec's daily business operations	Face-to-face	Broad target audience: industry, learners, academia	
P14	05.10.2021	Educational materials are being prepared in the METIS project	Partner web	Learners, industry	https://www.ett.bme.hu/hirek-esemenyek/oktatasi_20211005
P14	05.10.2021	Teaching materials on microelectronics and electronics manufacturing are already being produced at the faculty as part of the #Metis4skills EU programme.	Instagram	Learners, industry	https://www.instagram.com/p/CUpCVU9DEtr/

P14	29.10.2021	Curriculum and Training Development in the METIS project	IEEE SIITME 2021	Industry, academia	https://ieeexplore.ieee.org/document/9663582
P14	17.06. 2022	METIS course tests start soon	Partner web	Learners, industry	https://www.ett.bme.hu/hirek/esemenyek/hamarosan_20220617
P14	13.09.2022	Status Report of Training Development in the METIS Project Focusing on the WP3.1 Activity	IEEE ESTC 2022	Industry, academia	https://ieeexplore.ieee.org/document/9939556
P14	13.09.2022	Bringing Nanotechnology Closer to Electrical Engineers: Training Course Development for Upskilling in the METIS Project	IEEE ESTC 2022	Industry, academia	https://ieeexplore.ieee.org/document/9939533
P14	12.10. 2022	Researchers Night at BME ETT	Partner web	Learners, industry	https://www.ett.bme.hu/hirek/esemenyek/kutatok_20221012
P14	11.05.2023	Promoting the METIS courses on the 46 th IEEE ISSE conference	Partner web and IEEE ISSE 2023	Industry, academia	https://www.ett.bme.hu/hirek/esemenyek/metis_20230523
P14	02.10.2023	Researcher Nights at BME ETT	Partner web	Learners, industry	https://www.ett.bme.hu/hirek/esemenyek/ilyen_20231002
P14	16.10.2023	METIS course pitching at CVUT-FEL in Prague	Partner web	Academia	https://www.ett.bme.hu/hirek/esemenyek/pragai_20231026
P14	19.10.2023	Status Report of Training Development in the METIS Project Focusing on Test and Validation	IEEE SIITME 2023	Industry, academia	https://siitme.ro/2023-edition/poster-session-1-eposters-and-videopitches/
P14	07.11.2023	Showcase of the METIS courses for the industry	Partner web and online workshop	Industry	https://www.ett.bme.hu/hirek/esemenyek/online_20231013
P15	2022 2023	IFTS after graduation	Partner Web	Learners, industry	https://www.ialweb.it/ifts
P15	11.08.2022	Professional qualifications and diplomas	Partner Web	Learners, industry	https://www.ialweb.it/news/qualifiche-e-diplomi-professionali
P15	10.02.2023	Space for the professions of the future	Partner Web	Learners, industry	https://www.ialweb.it/news/spazio-alle-professioni-del-futuro--2023
P15	11.05.2023	Find the school you are passionate about with our free workshops	Partner Web	Learners, industry	https://www.ialweb.it/news/trova-la-scuola-che-ti-appassiona-con-i-nostri-laboratori-gratuiti-05-2023
P15	04.08.2023	After graduation	Partner Web News	Learners, industry	https://www.ialweb.it/news/dopo-il-diploma-04-08-2023
P17	7-8.10.2022	Presentation of the METIS project and courses developed	International Event Maker Faire	HE and VET institutions, students, researchers, industrials	https://makerfairerome.eu/en/program-mfr2022/
P17	22.05.2023	METIS courses: recognition and stakeholders feedback	Training and Upskilling Driving Business Growth Webinar	HE and VET institutions, students, researchers, industrials	https://www.semi.org/eu/webinar/training-and-upskilling

P17	29.05.2023	METIS project: QA in the courses' development	Focus Group on measures and tools for Quality Assurance in VET in Italy	Italian EQAVET Reference Point, VET and HE institutions	https://www.inapp.gov.it/eventi/focus-group-sulle-misure-e-sugli-strumenti-per-lassicurazione-della-qualita-nella-vet-in-italia
P17	29.06.2023	Presentation of the METIS project and courses developed	Erasmus Congress and Exhibition (ERACON) 2023 in Rome; Social Media	HEI staff; general public	https://twitter.com/CIMEA_Naric/status/1676148951433506816
